Everyone gets the increase in data, all new customers and current customers. Lobster does not treat new customers better than current ones! All current Lobster customers will get the data increase automatically, without having to do anything.

In addition to unlimited calls and texts in Spain and to the UK, all our tariff plans also include unlimited calls and texts to Denmark, Germany, Gibraltar, Ireland, Netherlands, Norway, Portugal, Sweden and the USA.

Also, the tariff plans include "Roam Like At Home" so that customers can enjoy the same services while at home in any country in the European Economic Area, at no additional cost.

Customers can keep their existing Spanish number if they already have one or we can give them a brand new one.

The Lobster brand was created to establish an emotional bond with British values and service. The DNA of the Company is "English, easy and effortless" together with a personality that is authentic and straightforward. The Lobster offering is based on simplicity and understanding customers enjoy a service and experience "like at home". This together with a service completely in English and competitive tariff plans tailor-made for expatriates has provided a winning formula that has appealed to tens of thousands of happy customers and growing rapidly.

"Every day our customers are using more and more data, keeping in touch with friends and family with video conferencing, and on social media, watching content on their favourite streaming service, and much more. We are happy to announce that all new and current Lobster customers now get even more data with no changes in price and the same great first-class service as always," said Tony Watts, Marketing Director of the company.

It is very easy to become a Lobster customer, just provide identification, your credit or debit card payment details through a totally secure process, and you're good to go. It doesn't have to be a Spanish credit or debit card. You can cancel at any time.

Signing up for the service can be done through any one of the over 600 retail stores. Customers can easily find the closest store to them using the store finder on our website lobster.es. If customers prefer they can also sign up online or by calling our Customer Contact Centre for free on 1661 where all the agents are native English speakers.
